

TOBACCO BIBLIOGRAPHY, 1595-1964

Misc.

abstracts from *American Journal of Cancer*, 1931-1940

1595

Chute, Anthony. *Tobaco: The Distinct and Severall Opinions of the Late and Best Phisitions That Have Written of the Divers Natures and Qualities Thereof.* London, 1595.

1599

Henry Butts, *Diets Dry Dinner.* 1599.

1602

Beaumont, John. *The Metamorphosis of Tobacco.* 1602.

James, I. *A Counterblaste to Tobacco.* London, 1602.

Man, Thomas. *A Defense of Tobacco, With a Friendly Answer to the Late Printed Booke Called Works for Chimney-Sweepers.* London, 1602.

#Philaretus. *Work for Chimny-Sweepers, or A Warning for Tobacconists.* London: T. Este, 1602.

1604

King James I. *A Counterblaste to Tobacco.* 1604.

1610

Gardiner., Edmund *The Triall of Tobacco.* 1610.

1614

Barclay, William. *Nepenthes, or the Virtues of Tobacco.* Edinburgh, 1614.

Sylvester. *Tobacco Battered; and the Pipes Shattered.* 1614.

1616

Deacon, John. *Tobacco Tortured; or the Filthie Fume of Tobacco Refined.* 1616.

1621

Venner, Tobias. *A Briefe and Accurate Treatise Concerning the Taking of the Fume of Tobacco, Which Very Many in These Dayes Doe Too Licentiously Use*. London: printed by W.I. for Richard Moore, 1621.

1650

Venner, Theodore. *A Brief and Accurate Treatise Concerning the Taking of the Fume of Tobacco Which Very Many in These Days Do Too Licentiously Use, in Which the Immoderate, Irregular, and Unreasonable Use Thereof is Reprehended, and the True Nature and Best Manner of Using It, Perspeciously Demonstrated*. 1650.

1664

Blount, Henry and James Howell. *Judge Ramsay's Instrument to Cleanse the Stomacke as Also Divers New Experiments of the Vertue of Tobacco and Coffee: How Much They Conduce to Preserve Humane Health, Recommended to Public View*. 3rd ed. London: printed for S. Speed.

1683

Physiologicus, Pilotheos. *The Way to Health, Long Life, and Happiness, to Which is Added a Treatise of Most Sorts of English Herbs, the Like Never Before Published, Communicated to the World for a General Good*. London: Andrew Sowle, 1683.

1703

Baldwin, A. *A Looking-Glass for Smokers*. London: printed for A. Baldwin, 1703.

1744

Bickerton, W. "A Pipe of Tobacco." In *Imitation of Six Several Authors*, 3rd ed. London: printed for W. Bickerton, 1744.

1760

Stalker, Charles. *A Treatise Upon the Herb Tobacco, Pointing Out Its Deleterious, Pernicious Quality, and Its Fatal Effects Upon the Human Constitution, By the Great Variety of Disorders It Occasions*. London: printed for Charles Stalker, 1760.

1797

Clarke, Adam. *A Dissertation on the Use and Abuse of Tobacco*. Salem: Thomas and Whipple, 1797.

1798

Rush, Benjamin. *Observations Upon the Influence of the Habitual Use of Tobacco Upon Health, Morals, and Property*. 1798.

1799

Brailsford, Edward. *Experimental Dissertation on the Chemical and Medical Properties of the Nicotiana tabacum of Linnaeus*. 1799.
